H1-H2 Single-Sided Banner Stand

H1-H2 Combo Kit

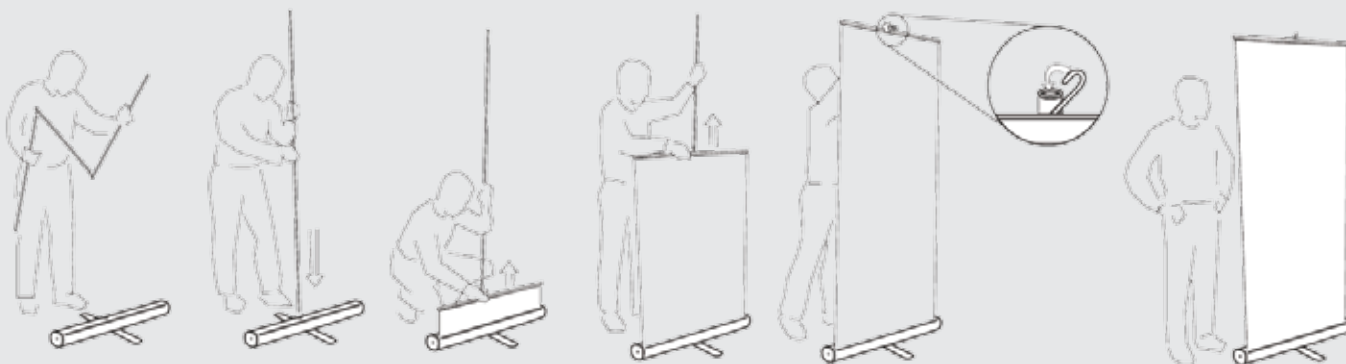

Looking for a great complementary addition to your new H1 Banner Stand? Think about adding one of our portable conversion counters to welcome your clients during any type of event. The H1 banner stand can fit inside the counter shipping case when in transit, so you will only have one shipping case to handle.

Add-Ons for H1-H2 Banner Stand

Additional options are available for this product. Add a banner stand light or a hard transit case to protect your new product.

H1-H2 Banner Stand Setup Instructions

Less than 30 seconds for a quick setup solution. Unfold the tri-fold bar, insert the tri-fold bar into its slot on the banner stand. Pull out the graphic while holding on to the tri-fold bar. Slightly tilt the banner stand to reach the top of pole and insert the hook into the top of tri-fold bar.
